

Support Washington County Kids at a great afternoon and early evening of FUNdraising on Sept. 23, 2017: Savor salmon, toast the best of Washington County's success stories (supporting kids & families) at Helvetia Winery and meet the folks who make a difference in Washington County all while supporting WCK. Sample award winning wines and tuck into an extravagant outdoor salmon buffet authentically prepared by a Native American family. There'll be a silent auction and live music with 'Public Works' to enjoy under giant trees in a beautiful rustic setting. What could be more fun and it's all for the kids. Tickets are on sale now! We look forward to seeing you there! #WashCoKids
